Gordon Porteous Trophy Winner

Stats

Here are today's results. 64 entries, 45 starters and 44 finishers. The whole race over in 60 minutes and 20 seconds. Only 4 stewards required because of the same 2 lap course. Better venue than Lochinch. Interestingly, because of the change of route, only 2 competitors (bandits) ran faster than their estimate.

Gerry Montgomery won the Dave McKirdy trophy, Stevie McLean won the Gordon Porteous trophy, Jim McMillan won the nearest nominated time trophy.

The first 37 finishers took 5 minutes, 10 secs between 1st and 37th. That's an average of 8.3 seconds between each finisher.
